

## 2023-24 School Year Immunization Requirements for OPP Students

Dear Parent/Guardian,

The CDC, IDH and AAP recommends certain immunizations (shots) to enter preschool and daycare centers. Please check with your health care provider as soon as possible to make sure that your child has all the needed immunizations and submit a copy of these records to the Director. You may bring in a paper copy or email the records. We feel it is in the best interest of all the children and staff here at the Learning Center to require these vaccines for the school year. If you are a returning family and have already submitted your child's immunization records the previous year, I do **NOT** need a new copy.
